

Charity ride

AUTOMOTEA is also about good deeds and helping others.

Due this reason each participant may allow experience from ride in his car for public as passenger and thus share positive emotions.

For the agreement with charity ride is necessary to fill the relevant field in the registration form or inform organizer about this purpose before the ride.

Person who would like to sit as passenger and try the unique experience has chance to do that after payment of admission 30.00 EUR, while all of the collected money will be credited to the charitable intension about which organizer will inform directly at the car event.
