

Conditions of the car event AUTOMOTEA:

1. Privacy.

- (i) By sending the registration form or by sending of personal data (name, surname, address, date of birth, e-mail and phone number) through contact details on the website www.automotea.com/en the participant agrees with its use. All of the personal data filled through the form on the website www.automotea.com/en, respectively notified through contact details published on the above address will be used only for the purpose of registration and database of the participation on the car event AUTOMOTEA. Confidentiality and protection of personal data is guaranteed. For the use of personal data shall otherwise apply provisions of Legal Act of Slovak Republic No. 133/2013 Coll. Protection of personal data as amended.

2. Participation at the event.

- (i) Every participant of the car event AUTOMOTEA is responsible for any loss or damage on his car or any other damage caused by the participant. Organiser of the car event AUTOMOTEA is not responsible for any damage caused by a third person.
- (ii) Every participant undertakes to respect any instructions of the car event organiser and/or employees of the facility, in the area of which the car event participants will be situated.
- (iii) Official beginning of the event will be published on the website www.automotea.com/en and social media for this car event.
- (iv) Participation on the car event is connected with payment of a registration fee, which amount is specified individually for the relevant car event and per one car with driver, in case of participation of another person together with the participant registration fee will be increased by an amount stated individually for the relevant car event and per each additional person. Account number for the payment of the fee will be announced to the participant in the confirmation e-mail after sending of registration form on the website www.automotea.com/en. Above fee will include welcome drink, coffee, tea, banquet and financial gift for charitable intentions. Registration fee does not cover expenses with the accommodation of the participant. Accommodation is paid by the participant of the car event, while on the basis of request of participant organiser can mediate accommodation in the facility.
- (v) The participant as the owner of a car is informed that part of the event is also a charity ride, further information about which are published on the website www.automotea.com/en. The charity ride is voluntary and participant as the owner of a car may agree with ride in advance through registration form or at the latest before the ride with notification to the organiser. The participant is informed that in case of agreement with charity ride he has civil and criminal responsibility as the ordinary road user. The participant undertakes to respect all of the traffic rules according to valid legal regulation of the Slovak Republic.
- (vi) The participant declares that he agrees with making of visual, audio and audio-visual records from the car event and with its publication on the website www.automotea.com and/or social media for this event. Above stated does not apply if the participant will express disagreement with the use of above records in advance through registration form on the website www.automotea.com/en (notes) or later by informing the car event organiser.
- (vii) Presence of public on the car event may be allowed in the area defined by the organiser and in the time published on the website www.automotea.com/en and/or social media for the car event.

The participant of the car event by confirmation of the registration form declares that he is informed with the content of these conditions and also that participant has already informed the other persons, who will or would like to be presented on the car event together with the participant.

For the questions which are not adapted by these conditions there will be used provisions of Legal Act No. 40/1964 Coll. Civil Code and other related legal acts of Slovak Republic as amended.
